

Getting Organized -- ECAC Workgroup Worksheet

Workgroup Priority Area _____

ECAC Workgroup Lead _____

ECAC Workgroup Members _____

Workgroup Charge

Workgroup will identify key action steps and/or recommendations for their priority area by looking at research, cost/benefit, feasibility, speaking to experts, consulting with organizations, and the current Wisconsin project teams/groups, etc.

The workgroup will present their findings and recommendations at the August retreat, where all recommendations will be reviewed, prioritized, and prepared to present to the full ECAC in September.

Brief Description of Major Focus of Priority Area

References/Research available in Priority Area

People/Organizations to Consult or invite to join the Workgroup
